

MHP's Adult Services Campus in Boulder Offers Clients Convenient Locations

Norton Center for Behavioral Medicine

Ryan Wellness Center

Mental Health Partners has built out the second floor of the Ryan Wellness Center, 1000 Alpine Ave., and the building renovation is nearly complete. We are dedicating a campus for adult services that is housed at the Ryan Wellness Center and the building just south of it on 975 North St., (Norton Center for Behavioral Medicine). We are thrilled to consolidate services that enable us to better serve the community.

Services available at the Norton Center for Behavioral Medicine, 975 North St., Boulder:

- **Connections**—Offers daily drop-in hours and scheduled services for case management and supportive counseling for clients
- **Genoa Pharmacy**—Prescriptions filled
- **Medical**—Psychiatric provider clinic, adult psychiatry, adult nursing and telehealth services

Norton Center for Behavioral Medicine Hours: Monday through Thursday, 8 a.m. to 6 p.m.; 8 a.m. to 5 p.m., Friday.

Services available at the Ryan Wellness Center, 1000 Alpine Ave., Boulder:

- **Assessment**—Handles extended assessments for individuals ages 4 and older who are seeking treatment at Mental Health Partners; includes intake paperwork and an assessment with a clinician to assess symptoms and determine if and what programs would be most appropriate
- **Boulder Adult Outpatient Services**—Serves adults between the ages of 18-59 who have a mental health diagnosis, substance abuse diagnosis or have a co-occurring diagnosis
- **Boulder Employment**—Assists clients in all stages of the employment journey, such as job coaching, application completions, resume building, job search strategies and works with the Department of Vocational Rehabilitation

- **Boulder Journeys**—Non-traditional intensive outpatient treatment interventions that work with the whole person to improve functioning and facilitate recovery
- **Clinica Family Health**—Primary care providers, nurses and medical assistants assist with overall healthcare needs in coordination with Mental Health Partners staff
- **Connections**—Offers daily drop-in hours and scheduled services for case management and supportive counseling for clients
- **Dental Aid**—Hygienic visits for clients are available every other Monday
- **Health Home**—A collaborative effort between Mental Health Partners, Clinica Family Health and Dental Aid that provides access to behavioral, physical and oral healthcare all in one location
- **Housing**—Manages five housing voucher programs and provides supportive housing programs in Boulder and Longmont, partnership housing, brief housing support, community housing and CHAT (Community Housing Advice Team)
- **Older Adult Specialized Services**—Provides therapy and case management for individuals ages 60 and older; integrated service providers can see people at select area healthcare clinics as well as receive referrals from these clinics
- **Supported Training, Education & Chinook Community**—Supports educational, pre-vocations and social pursuits of individuals along their recovery journey, including a program to train clients in culinary, customer service and point-of-sale system skills, as well as computer training
- **Wellness**—Clients in all stages of recovery focus on their well-being through evidence-based programs, workshops, individual coaching and experiential activities

Ryan Wellness Center Hours: Monday through Thursday, 8 a.m. to 6 p.m.; 8 a.m. to 5 p.m., Friday.
